Gulfport Multipurpose Senior Center Foundation, Inc. is a 501(C)(3) charitable organization that raises and distributes funds for the Gulfport Multipurpose Senior Center. Their mission to enhance health, educational, social, and recreational programs and services makes the Center an active and socially rewarding resource for seniors.

The Foundation, established in 2004, operates with a volunteer board of directors, and is supported by nearly 1,000 members and many active volunteers who share their time and talent in helping with Foundation activities.

The generosity of individuals, groups, businesses and sponsors from in and outside the community has allowed the Foundation to help the Center provide higher quality services and programming that otherwise would not have been possible. Examples of Foundation acquisitions for the Senior Center have included: fitness equipment for the Senior Center Fitness room, construction of the Senior Center Memorial Garden and Celebration Wall, shelving for the Food Pantry, replacement of furniture and artwork on the patio, equipment and cabinets for the snack bar, televisions, video equipment, touchless water fountain, computers, digital piano, fireproof safe, stainless steel sink for art room and many more amenities. We look forward to providing financial support for the new Senior Center that is planned for Gulfport.

The upcoming Health and Wellness Expo, taking place at the Historic Gulfport Casino Ballroom on Saturday, October 7, 2023 is one of the healthiest marketing solutions your company can invest in. The Expo has gained an outstanding reputation for providing quality services, screenings and programs geared toward active seniors in the Tampa Bay area. In addition to brand association with established Gulfport events, your sponsorship can make a difference in the lives of elders as well as advance your own professional and business goals.

Your donation may be tax deductible. The Foundation is a registered 501 (c) 3 charitable nonprofit organization. Reg # CH 18876

We appreciate your consideration and look forward to working together to strengthen our community.

Larry Kennedy, President
